About Gridiron Greats Assistance Fund

The Gridiron Greats Assistance Fund (GGAF) is a non-stock, non-profit 501(c)(3) organization providing financial grants and 'pro bono' medical assistance to retired NFL players in dire need. The organization focuses on the humanitarian side of post-football related issues, which include coordination of social services to retired players who are in need due to a variety of reasons including inadequate disability and/or pensions.

The GGAF's mission is to assist dire need retired NFL players who were pioneers of the game and who have greatly contributed to the NFL's status as the most popular sport in America. GGAF provides hands-on assistance to help retired players and their families deal with hardships they face after football. The services include medical assistance, transportation costs for medical evaluations and surgeries, housing assistance, financial assistance for utilities, medication, and coordination of services for food, automotive payments and childcare.
